***Maritime Studies, B.A.***

The Maritime Studies Program is designed to familiarize students with the dynamic cultural and natural resources of the maritime environment. Students gain the necessary knowledge and expertise to enable them to participate and contribute to our growing understanding and management of the maritime environment. Flexibility is the hallmark of UWF's Maritime Studies Program where you can tailor your degree program to your individual interests. Core courses provide an overview of the main areas of study. You will complete your degree program with a minor in your primary field of interest.
